Acrobat Studio for finance

Finance teams are stretched by complex planning cycles, vendor scrutiny, and shrinking audit timelines. Acrobat Studio speeds reporting and simplifies collaboration, delivering faster decisions with trust and governance built in.

Finance use cases
- Financial reporting
- Budget and forecast review
- Vendor spend analysis
- Audit preparation and support

Acrobat Studio for HR

HR teams face increasing demands across onboarding, training, compliance, and talent reviews. Acrobat Studio helps them securely accelerate workflows, improve communication, and build trust while reducing risk and cost.

HR use cases
- Talent onboarding and training
- Employee comms and engagement
- Policy interpretation and guidance
- Talent review and rewards

Acrobat Studio for sales

Sales teams often spend valuable time gathering information and building content-heavy proposals. Acrobat Studio helps them close deals faster, elevate client experiences, and maintain consistent messaging while boosting cross-functional alignment.

Sales use cases
- Proposal and pitch development
- RFP/RFQ response management
- Contract deal desk collaboration
- Sales enablement content

Acrobat Studio for marketing

Marketing teams are under pressure to deliver high-impact content while maintaining brand consistency across channels and regions. Acrobat Studio helps them create and localize content faster, turning static documents into compelling, on-brand campaigns.

Marketing use cases
- Campaign content reuse
- Event comms and collateral
- Campaign localization
- High-impact presentations

Customers are seeing value from Acrobat Studio.

> "Acrobat AI Assistant helps us stay competitive in the job market, making sure we're positioned to attract the right people at the right time. The AI capabilities probably saved us months of researching and refining the job description. We found a great grant coordinator quickly to help us start delivering more services for our citizens."

Eugene Mejia
Chief AI Strategy and Transformation Officer
City of Gilbert, Arizona

> "We were dealing with a massive amount of content for POSSIBLE. We're talking 260 pages, 143,000 words, and more than 30 hours of audio. There's no way we could have analyzed talks, looked for patterns, and pulled out insights without Acrobat AI Assistant."

Ranganathan Sundaram
Global Head of Marketing,
Ecosystem and Strategic Initiatives
Tata Consultancy Services

> "Getting different people in different places to coordinate can be difficult. Adobe Express is very easy to use and gives us a collaborative space where our FCB New York creative teams can share ideas and edits with our Ad Council contacts in real time. That's invaluable."

Michael Ainette
Chief Creative Officer
FCB New York

Analysts are excited about Acrobat Studio.

> "Adobe's launch of Acrobat Studio marks the most significant evolution of the PDF since its inception, transforming its flagship document product into an all-in-one, AI-powered workspace that unifies productivity and creativity and sets a new standard for how organizations work with information.
