

## EXPERT SUCCESS

**The Expert Success plan**—included with all Adobe Experience Cloud licenses—gives you 24X7 access to expert care for technical troubleshooting and guidance on your critical business issues. It also lets you tap into our self-guided resources, exclusive best practices, and an online community of Adobe experts & peers to independently find potential solutions.

### What you get

#### 24x7 online support

Seek instant expert help on our web portal or chat for answers or help with case submission.

#### Upskill with guided learning resources

Explore the Experience League and forums to expand your knowledge with product documentation, potential case solutions, troubleshooting videos, and best practices.

#### Fast track urgent cases with priority-based scheduling

Our pre-defined SLTs for phone support schedule your issues by priority, ensuring that your most critical issues are resolved first.

#### Expert care, just a phone call away

Call our experts any time, any day for your most urgent (P1) issues..

#### Expert pods for rapid resolution

Global teams are structured in 'Pods' with experts from various backgrounds pulled together to provide the fastest resolution on any given issue.

#### Maximize uptime with unrestricted technical support

Raise unlimited support tickets, get proactive alerts on outage, and get faster resolution through prioritized escalation management.

## Speed of initial response

Priority	Expert	Ultimate
<b>PRIORITY 1</b> Customer's production business functions are down, or have significant data loss, or degradation of services; and immediate attention is required to restore functionality and usability.	1 hr (24x7)	15 mins (24x7)
<b>PRIORITY 2</b> Customer's business functions have major service degradations or potential data loss, or a major feature is impacted.	2 hrs (Business hours)	30 mins (24x5)
<b>PRIORITY 3</b> Customer's business functions have minor to no degradation of services with a solution/workaround allowing business functions to continue.	4 hrs (Business hours)	1 hr (24x5)
<b>PRIORITY 4</b> General question regarding current product functionality or an enhancement request.	1 day (Business hours)	1 day (Business hours)

# Success add-ons

5 success add-ons are available to supplement your Expert Success plan. You can choose one or more add-ons to receive enhanced support and maximize value.

## Event Management

End-to-end leadership and support required to manage the entire lifecycle of your key events such as go-lives, campaigns, product launches, rollouts etc.

## Advanced Cloud Support

Top-tier care and value assurance for Adobe Experience Manager customers to speed up your transition to the cloud.

## Mentor Sessions

Skill-based learning in a just-in-time training method—with focus on demonstrating best practices, product feature overviews, simple how-to's, and walkthroughs.

## Developer Boost

Access to field engineering experts that can assist with solution troubleshooting, aligning to best practices, and answering questions related to development.

## Priority Queue Bundle

Subscription add-on that bundles Priority Queue (skip to the front of the line), Mentor Sessions, and Developer Boost together to help maximize performance and learning.
