

Pattern Puzzles

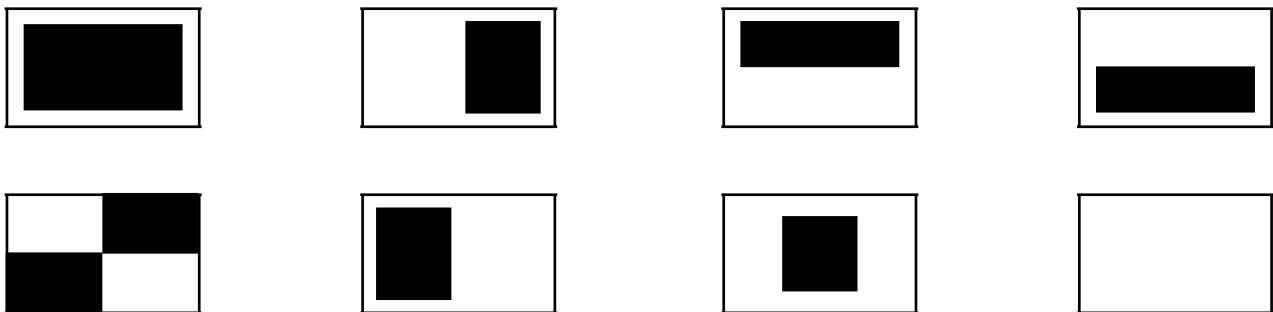

Put your abstract reasoning to the test with the following pattern puzzles.

Discern the rule or rules that determine each pattern, and then complete the picture by identifying the missing piece.

Keep in mind that the pattern should be seen as a whole, comprised of 9 images, rather than simply read from top to bottom.

Puzzle 1

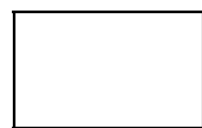

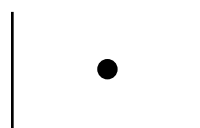

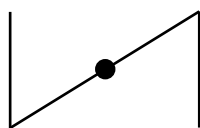

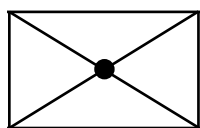

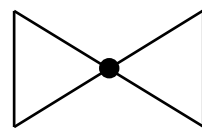

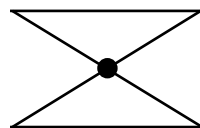

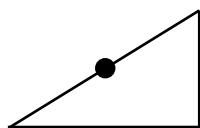

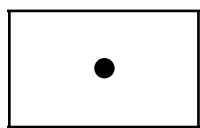

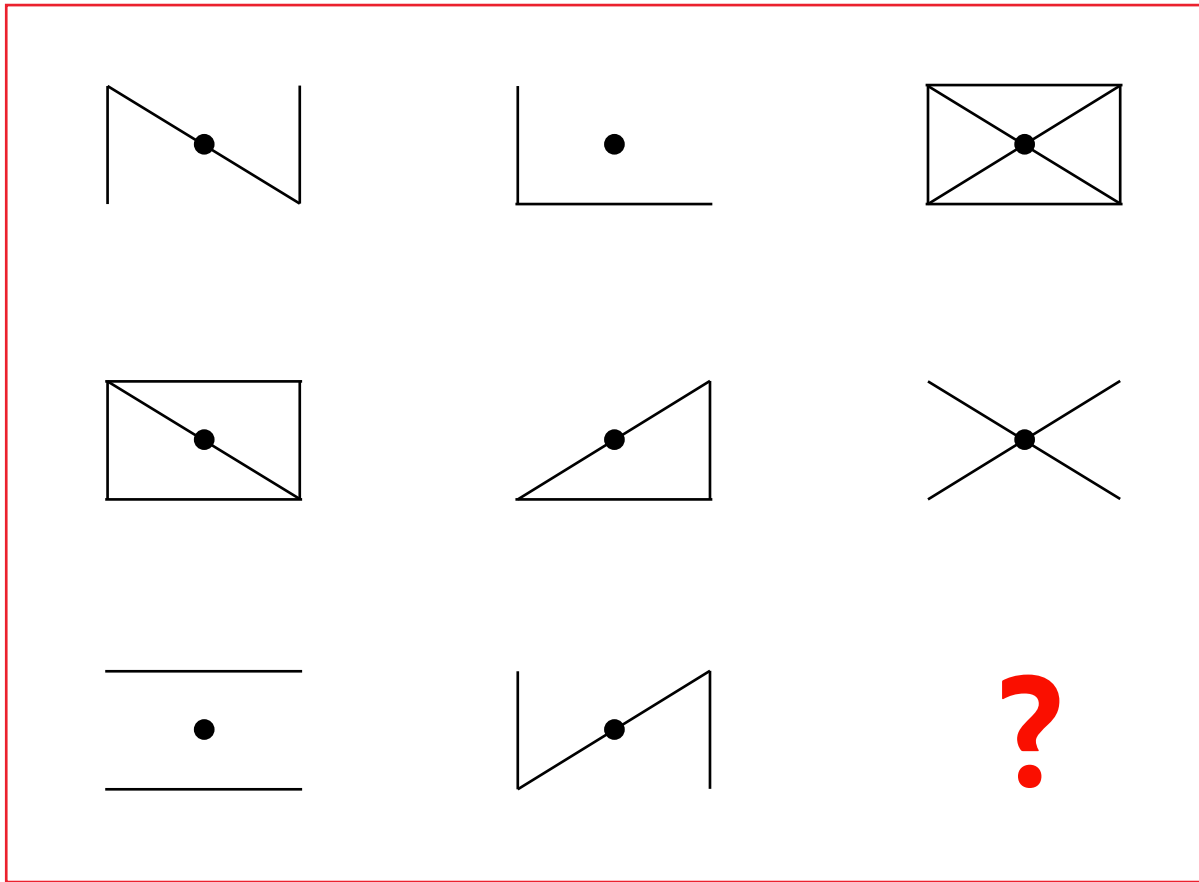

Complete the unfinished pattern by identifying the missing piece from the choices at the bottom.

Adobe SUMMIT Pattern Puzzles

Puzzle 2

Complete the unfinished pattern by identifying the missing piece from the choices at the bottom.

Adobe SUMMIT Pattern Puzzles

Puzzle 3

Complete the unfinished pattern by identifying the missing piece from the choices at the bottom.
